### **REASONS FOR ALLOWANCE**

Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance:

None of the prior art of record shows or suggests a clutch apparatus for performing two-phase position control for a two phase-positioned object installed on a shaft, the clutch apparatus including a clutch housing, a driving gear and a solenoid unit arranged together in the manner set forth in claim 1, and particularly wherein the housing is supported by the solenoid.

Nor does the prior art of record shows or suggests a position control clutch device including a driving gear, a clutch, a housing, a shaft and a solenoid unit arranged together in the manner set forth in claims 7 and 11, and particularly wherein the solenoid is adapted to rotatably support the housing.

Applicant's arguments appearing on pages 5-7 of the response filed on September 27, 2005, with respect to the rejection of claims 1-14 under 35 U.S.C. 103(a) as being unpatentable over Namiki et al. '381 in view of Ide '813 and Nishimura '545 have been fully considered and are persuasive. The rejection of claims 1-14 has been withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
